

CURRICULUM

Grade 7

A year dedicated to solidifying the meaning of becoming a Jewish teen through history, action, behavior, remembrance and the Land of Israel. Social, instructive, motivating and fun... a special year for our *b'nai mitzvah*!

Tuition: \$765

Grades 8-9 (Grades will meet separately with Rabbi Musnitsky and Cantor Berman.)

In maintaining our commitment to *Tikkun Olam* and nurturing our teenagers spirit of giving, the 8th-9th grades will be meeting weekly on Wednesdays but will also be folded into our new Family *Mitzvah* Corps. The general principles of Family *Mitzvah* Corps are:

Hineini--Here I am: *Torah* and text study followed by discussion exploring our students' place in the world and how our actions reflect our Jewish values.

G'milut Chasadim starts with the individual, *tikkun middot* and repairing ourselves. The particular focus of this *G'milut Chasadim* strand is the concept of *middot* – those positive aspects of our character that are reflected in our ethical behavior towards others.

Tuition: \$540

Grade 10: CONFIRMATION

This year is shared with Rabbi Musnitsky in discovering our personal voices needed to change and repair our broken world. The year is highlighted with participation in the *L'Taken* Seminar, a 4-day trip to Washington D.C. where we join more than 400 other Jewish teens from around the country to explore public policy issues from a Jewish perspective; draft position and policy speeches; and lobby our Congressional Representatives and Senators. Our time together culminates with the Service of Confirmation.

Tuition: \$950

Grades 11-12

At college, our children will interact with others from all racial, ethnic and religious backgrounds. When questions arise about what Judaism teaches, will they know how to answer? Will they be able to respond to challenges to Jewish values and beliefs? Our offerings strive to equip our teens with tools preparing them to be well informed on issues affecting their Judaism, in particular Anti-Semitism on campus, and be proudly and actively involved Jewishly in college.

Tuition: \$540
